FOR IMMEDIATE RELEASE

## Walt Huysman Joins Trico Corporation as Oil Analysis Business Development Manager

Pewaukee, Wis. – January 24, 2010 - Trico Corporation, a leading provider of total lubrication management services and products, announces the addition of Walt Huysman as Oil Analysis Manager. In this role he is responsible for the day-to-day management of our key oil analysis customers, conveying our unique value proposition with them, and supporting our overall growth in oil services through bid proposals and new client opportunities.

"I am very pleased to have Walt in this role," said Mike Gauthier, Director of Services. "His vast experience and knowledge of industry will be a great asset as we continue to build customers for life."

Huysman, based in Pittsburgh, Pennsylvania, has more than 25 years of experience in the lubrication management industry and has worked for Polaris Laboratories, CTC Analytical Services and Shell Oil Products.

He is certified by the Society for Tribology and Lubrication Engineers (STLE) as a Certified Lubricant Specialist (CLS) and Oil Monitoring Analyst (OMA); and has served as Chairman for both committees.

**Trico Corporation** is a leader in total lubrication management services and products that focus on increasing industrial asset performance and reliability. The company offers assessments for lubrication management programs, equipment audits, training, and a complete line of high-performance lubrication products. Trico's mission is to be the worldwide leader in lubrication management solutions and build customers for life.
